

**Where is hope found in our world today?  
If Christ lives within you, look in a mirror!**

**We invite you to find the living hope that is within you  
through Jesus Christ. "Christ in you – the hope of glory!"  
(Colossians 1:27b)**

**Please participate with us in a "Campaign of Hope" from October 17 -  
November 14, 2010. Our church is celebrating the living hope within each  
one of us that makes us Christ's true witnesses. He has also given us a  
stewardship to provide Christian hope for the people who come to James  
Island Presbyterian Church, for the people on our island, and for the world.**
