

Give!

We will collect the “Spring Mission Project” offering from April 28—June 9 during worship. As money is raised, our children will earn “bricks” for the Lego Mega-Block home that they will construct each week after Children’s Time. Simply place your offering in the plate during worship or return it to the church office using the enclosed envelope. Please indicate the level of support that you are able to provide:

- One block: \$25
- Two block section: \$50
- Four block section: \$100
- Window (8 available): \$250
- Door (2 available): \$500
- Roof Section (10 available): \$1,000

Our goal for this year’s Spring Mission Project is to raise \$15,000 toward the cost of construction.

Build!

There’s something for EVERYONE to do this year to help build! You don’t need to have construction experience, just a willingness to learn. Jobs include cleaning, painting, calking, framing, roofing, and everything in between.

We will have five build days on site with both morning and afternoon shifts for ages 16 and up. Lunch will be served between shifts. We will also have a special “Youth Build Day” on June 1 at James Island Presbyterian Church for children and youth up to age 15. Contact the JIPC office to sign up or use the online sign-up link in the e-news.

YOUTH BUILD DAY AT JIPC

June 1, 2019: 7 AM—12 PM

Parents are encouraged to sign up for the morning shift at Ferguson Road and to sign their children up for this special day at JIPC for kids. Nursery is available for ages 0-3. Children and youth from age 4 to 15 will be divided into smaller groups for lessons, recreation, and age-appropriate construction projects. Please pack a lunch for your child. It will be served at 11:30 a.m.

Serve!

If you aren’t up for hammers and nails, you can still support the work that goes on in this year’s build. Volunteers are needed to donate snacks and drinks, serve lunch, provide dessert, and work with the children and youth at the Youth Build Day on June 1 at JIPC.

DONATE

Please plan to bring any of the following items to the Spring Mission Dinner on May 8 from 5:30-7:00 p.m.

- Bottled Drinks (Soda, Gatorade and Fruit Juice)*
- Chips*
- Crackers*
- Packaged Cookies*
- Fresh Baked Desserts (Please bring on each build day)*

SERVE ON THE LUNCH PREP TEAM

Three volunteers are needed to help serve lunch for each build day. Volunteers will set-up, serve, and clean-up after the meal. Contact the JIPC office to sign up or do so on the online sign-up link in the e-news.

YOUTH BUILD DAY HELPING HANDS

Many volunteers are needed to facilitate our Youth Build Day at JIPC on June 1. Please contact Cameron Smith (cameron@jamesislandpc.org) if you are available to help lead age-appropriate construction projects, facilitate recreation activities, or lead devotionals for our children and youth. Be sure to specify the age that you would like to assist.
