CALL TO WORSHIP

Adapted

*How manifold are Your works, O Lord!*  
**In wisdom You have made them all; the earth is full of Your creatures.**  
*You send forth Your spirit and they are created;*  
**And so You renew the face of the earth.**  
*I will sing to the Lord as long as I live;*  
**I will praise my God while I have my being. Together, let us worship the Lord!**

CONFESSION

**Without your power, O God, we are lost. Doing the things we should have avoided, leaving undone the things we should not have avoided, we are left quivering in the uncertainty of an upper room. Forgive us, for allowing fear and timidity to be the norm in which we live. By your purifying fire transform our lives. Guide us into honesty and compassion. So fill us with your peace that our lives would be lived in humble courage. Enable our dreams and visions to be one. Grant us the ability to speak the universal language of love transforming our dreams and visions into the reality of your kingdom on earth as it is in heaven. In Jesus' name we pray.**

APOSTLES' CREED

***I believe in God the Father Almighty, Maker of heaven and earth, And in Jesus Christ His only Son our Lord; who was conceived by the Holy Ghost, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried; He descended into hell; the third day He rose again from the dead; He ascended into heaven, and sitteth at the right hand of God the Father Almighty. From thence He shall come to judge the quick and the dead. I believe in the Holy Ghost; the holy catholic Church; the communion of saints; the forgiveness of sins; the resurrection of the body; and the life everlasting. Amen.***

Today is your last chance to give!

Despite an unseasonably hot spring, we have made great progress in building a home right here on James Island for our new neighbor, Melissa. ***In addition to five days of construction, we have collected \$9,446 toward our \$15,000 goal! Please give today as we work to finish strong.***

The walls are up, and only half of the roof remains on our children's Lego model home that they have built each week during Children's Church throughout our spring mission project. Every gift will help us reach our \$15,000 goal:

**One block:** \$25

**Two block section:** \$50

**Four block section:** \$100

**Window (8 available):** \$250

**Door (2 available):** \$500

**Roof Section (10 available):** \$1,000

Last week's Youth Build was a blast!

Along with their four adult advisors, sixteen children and youth spent the morning of June 1 painting flower pots, building birdhouses and planting basil plants to welcome the neighbors in our newest James Island Habitat for Humanity neighborhood. Everyone worked hard and had a lot of fun, and we've already received calls from the residents thanking the children for their work. While they worked, their parents spent time helping at the build site for our spring mission project. Yesterday was the final build day for this year's project. We can't wait to welcome Melissa to her new home in a few months! Stay tuned for more information.
