# FAITH @ HOME

## Hello!

Oh how we have missed you all! As most of you, we have also been feeling anxious and overwhelmed with how to do life in this new way. However, we both hope that through this pandemic, we instill confidence in our parents that YOU are qualified, able, and called to be a big part of your child's faith journey. Now more than ever you are able to focus in on your youth's faith formation.

Please let us know what you need from us. If your kid is having a rough day, do not hesitate to ask us to send them some extra love. If you need help finding a family devotional, let us know. We are here for you and your family.

In Christ's love,  
Allison and Elizabeth
