Here are our September and October plans! We are offering virtual, in-person, and outdoor options to offer something for everyone at every comfort level. The virtual options are listed in white and in-person are in green. Youth are invited to participate in as many programs as they desire, space permitted. More information and sign-ups about each program can be found in this email.

In-Person Safety Measures:

- Masks will be required from the time youth step out of the car until they are back inside the car.
- Youth must sign up for programs to attend.
- Hand sanitizer will be provided.
- No food allowed.
- Youth may bring a water bottle, but will have a designated "mask-free space" for drinking.

If you have any concerns, suggestions, or questions - please call, text, or email me.

In-Person Youth Group Meeting

Alternating Thursdays starting October 1st, 5:30-6:30pm
JIPC Campus

Join us for a Bible study that looks at different times of trouble in the Bible and how God guided His people through them. We hope to equip our youth with some spiritual practices to guide them during this crazy time. Our exact meeting spot is to be determined, but it will be on the church campus.

Middle school and High school youth will be meeting separately!

Masks will be required the entire time youth are on campus.
